Competition Format and Rules

Formato e regras da competição

As of WED 31 AUG 2016

Paralympic competition format

Events

The Rio 2016 Paralympic Games rowing competition will have four events:

- AS women's single sculls - ASW1x
- AS men's single sculls - ASM1x
- TA mixed double sculls - TAMix2x
- LTA mixed coxed four - LTAMix4+

Racing is conducted on a 1000m course with a maximum of six boats in each race.

For each event, there will be two heats of six boats. The winner of each heat will progress directly to final A, which will determine places 1-6 (including the medals). All other boats from the heats will compete in two repechage races; the first two boats in each repechage will go forward to final A, while the remaining boats from the repechages will go forward to final B, which will determine places 7-12.

Competition draw

The draw for the para-rowing competition will be conducted by International Rowing Federation (FISA) officials at Lagoa Stadium on Thursday 8 September 2016, the day after the Opening Ceremony.

The FISA executive committee will appoint a seeding panel, which will place up to two crews in each heat to ensure that the faster crews do not all start in one heat. The seeding will only affect the placing of crews into the heats, and will not be taken into account for any of the later rounds of the competition.

Sport rules and procedures

The para-rowing competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- FISA rules of racing and related bye-laws and the FISA para rowing regulations (available at www.worldrowing.com/fisa/publications/rule-book)
- The International Paralympic Committee (IPC) handbook (available at www.paralympic.org/the-ipc/handbook)

FISA, working with Rio 2016 rowing competition management, will be responsible for the technical control and direction of the rowing competition at the Rio 2016 Paralympic Games.

Changes since the London 2012 Paralympic Games

None.

Differences from the Olympic Games

- Mixed crews participate in the Paralympic Games.
- Races are conducted over 1000m in the Paralympic Games rather than 2000m in the Olympic Games.
- Intermediate times are collected at 250m, 500m and 750m rather than 500m, 1000m and 1500m.

Boat Underweight - LTU ASM1x

Boat Underweight

Summary:

Boat Underweight - LTU ASM1x

Detail:

In Repechage 2 of ASM1x, Race 12, LTU was relegated to last place as a result of the boat not meeting the minimum weight requirement.

Issued by: Hang Tim Wong, Member of the Jury
Time: 10:19
Date: 10 SEP 2016

Great Britain dominate with triple gold in rowing finals

Sunday, 11 September 2016 - 13:02

RIO DE JANEIRO - Great Britain had a golden finals day in the rowing regatta on Sunday as they clinched three titles, with Ukraine the only other nation able to top the podium at the Lagoa Stadium.

[Rachel MORRIS \(GBR\)](#) kicked off proceedings by rowing through the field in the arms and shoulders women's single sculls (ASW1x).

MORRIS had a slow start in a race which was led to 750m by [Lili WANG \(CHN\)](#). But the British sculler started moving through the field in the second half and broke through in the final 250m to win in a Paralympic best time of 5:13.69, beating the mark set by WANG in Friday's heats.

It is the second Paralympic gold medal for the 37-year-old Briton, who triumphed in the road hand-cycling time-trial at the Beijing 2008 Games.

WANG was second ahead of 2015 world champion [Moran SAMUEL \(ISR\)](#).

The British trunk and arms mixed double sculls (TAMix2x) crew of [Laurence WHITELEY/Lauren ROWLES \(GBR\)](#) had the best start of the six crews and were never troubled. Like MORRIS, ROWLES is a recent convert from another sport, only switching to rowing from track athletics last year.

London 2012 Paralympic Games champion [FEI Tianming \(CHN\)](#) and her new partner [LIU Shuang \(CHN\)](#) finished second. LIU picked up the sport just eight months ago and said she was delighted to win a medal.

There was a bronze medal for [Stephane TARDIEU/Perle BOUGE \(FRA\)](#), both devastated not to improve on their silver medal from four years ago.

Great Britain capped off its golden day with a dominant showing in the legs, trunks and arms mixed coxed four (LTAMix4+). Although USA tried to power away in the first 250m, they had only a narrow lead over the British crew, who took control in the middle 500m.

Canada produced the fastest last 250m to almost overhaul the USA, finishing less than 0.3 seconds behind to collect the bronze medal.

[Roman POLIANSKYI \(UKR\)](#) secured gold in the arms and shoulders men's single sculls (ASM1x), like MORRIS producing a Paralympic best time performance. The former para-canoeist knocked five seconds off the best time he set on Friday, finishing in 4:39.56.

[Erik HORRIE \(AUS\)](#) won a second successive silver medal in this event more than three seconds behind POLIANSKYI with Beijing 2008 gold medallist [Tom AGGAR \(GBR\)](#) third.

Brazil came away empty-handed but [Michel PESSANHA/Josiane LIMA \(BRA\)](#) were roared home by a packed stadium to win the TAMix2x B final over 2015 world champions [Gavin BELLIS/Kathryn ROSS \(AUS\)](#).

The British team's high spirits were summed up by an exuberant ROWLES, who said: "This is the greatest nation on earth."
