ANTI-DOPING CONTROL

INFORMATION

- Testing will be conducted under the 2012 Anti-doping Rules of the UCI
- Riders selected for anti-doping will be identified on a list by their race number or their place in the ranking. The list will be posted at the entrance of the anti-doping room immediately after the race as well as at the finish line.
- The riders to be tested will be notified by a chaperon; the notified rider shall remain within sight of the chaperon at all times from the moment of in-person notification until the completion of the sample collection procedure. Team officials should not prevent the chaperons to continuously observe the rider. Should no chaperon be present, the rider shall proceed immediately to the doping control station. The absence of a chaperon shall not excuse the rider for not reporting in time to the doping control station. If the award ceremony takes place immediately after the event, a rider needing to go to the award ceremony will be escorted first to the award ceremony area, then to the press conference and finally to the doping control station.
- Each rider to be tested must present himself at the doping control station as soon as possible and at the latest within 30 (thirty) minutes of finishing the race. If a rider takes part in an official ceremony or attends a press conference, the deadline shall be 30 (thirty) minutes of the end of the ceremony or of the moment that his presence is no longer required at the press conference, whichever is the latest. Riders that have abandoned the race shall proceed immediately to the doping control station.
- Riders must report to the doping control station with their current license; but if it has no photograph, another I.D. with a photo must be presented. Riders may be accompanied by a person of his choice and an interpreter.
- Even if there are chaperons present, ultimately IT IS THE RIDERS' RESPONSIBILITY TO CHECK IF THEY HAVE BEEN SELECTED FOR ANTI-DOPING CONTROLS. If the rider does not attend the test, a violation of the UCI Anti-Doping Rules will be noticed and the rider could be sanctioned in accordance with these rules.
- Any changes related to the localization of the riders participating in the race (hotel name, address and telephone/fax numbers) must be communicated to the UCI as soon as possible; if these changes occur at the last minute, the communication has to be made to the CADF Doping Control Officers (phone number below).

Communiqué n° 5

CONTRÔLE ANTIDOPAGE

INFORMATION

- Les contrôles antidopage se dérouleront selon le Règlement Antidopage de l'UCI 2012.
- Les coureurs sélectionnés pour les contrôles antidopage seront identifiés sur une liste par leur numéro de dossard ou par leur place dans le classement. La liste sera affichée à l'entrée du local de contrôle ainsi qu'à la ligne d'arrivée immédiatement après la course.
- Les coureurs, devant se soumettre aux contrôles, seront avisés par une escorte (chaperon); les coureurs ainsi sélectionnés doivent demeurer en contact visuel avec l'escorte du moment de leur notification jusqu'à la fin de la procédure. Le personnel d'encadrement du coureur ne doit pas empêcher l'escorte d'observer le coureur de manière ininterrompue. Si aucune escorte n'est présente, le coureur se rendra immédiatement au poste de contrôle du dopage. L'absence d'une escorte n'excuse pas le coureur de ne pas se présenter à temps au poste de contrôle du dopage. Si la remise du Prix a lieu immédiatement après la manifestation, le coureur ayant besoin d'aller à la cérémonie de remise sera escorté d'abord à la zone de remise des prix, puis à la conférence de presse et enfin au poste de contrôle du dopage.
- Chaque coureur qui doit être contrôlé, doit se présenter au local antidopage dès que possible et au plus tard dans les 30 (trente) minutes après avoir fini sa course. Si un coureur prend part à une cérémonie officielle ou participe à une conférence de presse, le délai est de 30 (trente) minutes à partir de la fin de la cérémonie ou du moment que sa présence n'est plus requise à la conférence de presse, selon lequel de ces deux événements est le dernier. Les coureurs qui ont abandonné se présenteront immédiatement au poste de contrôle du dopage.
- Les coureurs doivent se présenter avec leur licence; dans la situation où la licence émise par leur fédération nationale ne comporte pas de photographie, un document officiel avec photo devra être présenté en plus de la licence. Le coureur peut être accompagné d'une personne de son choix et d'un interprète.
- Même s'il y a des chaperons présents, **IL INCOMBE AUX COUREURS DE VERIFIER S'ILS ONT ETE SELECTIONNES POUR LES CONTROLES ANTIDOPAGE.** Selon le règlement antidopage de l'UCI, un cas de non-présentation, une infraction au Règlement Antidopage sera constatée et le coureur pourra être sanctionné conformément à ce règlement.
- Tout changement de localisation des coureurs (adresse, numéro de téléphone/fax de l'hôtel) doit être communiqué sans délai à l'UCI; si ce changement survient à la dernière minute, celui-ci doit être communiqué aux agents de contrôle du dopage CADF (coordonnées ci-dessous).

APELDOORN 2015 | THE NETHERLANDS

26 – 29 March 2015

Communiqué n°40

Communication to Participating Nations

Scratch Race-2015 UCI Para-Cycling Track World Championships

In review of UCI published information and solicited comments from members of the Para-cycling Commission, it is noted that the communication published referenced regulation changes that were never decided upon or enacted. It is also noted that there has been significant difference in opinion in understanding what was published, affecting the enrollment strategies of many nations. This includes schedules published in January and Schedules refined in March.

The decision taken today is that two separate competitions will be conducted in the following Combined Sport Classes for men and women:

- C4, 5 Maximum two athletes per nation in the combined sport class*.
- C1, 2, 3 Maximum two athletes per nation in the combined sport class*.

All nations must confirm their riders with the Race Secretary at the podium, before the end of the first session, Saturday, 28 March.

*Two riders of the same sport class are permitted.

According to 9.2.065, the previous World Champion is automatically qualified to start.

The decision was to resolve the conflicting information in the best manner possible, in consultation with the Para-cycling commission. This decision is exceptional and shall not be considered as precedent for future World Championships. The existing regulations will be reviewed, clarified and published prior to the next World Championships.

The Commissaires panel wishes to remind all nations of the following important regulation:

3.2.180 In the case of collusion between riders, the commissaires may disqualify the riders concerned.
