PARALYMPIC COMPETITION FORMAT

The Tokyo 2020 Paralympic Games rowing competition consists of four events, as follows:

- Men's single sculls – PR1 M1x
- Women's single sculls – PR1 W1x
- Mixed double sculls – PR2Mix2x
- Mixed coxed four – PR3Mix4+

Racing is conducted on a 2,000m course. For each event there will be two heats of six boats. The winner of each heat will progress directly to final A, which will determine places 1-6 (including the medals). All other boats from the heats will compete in two repechage races; the first two boats in each repechage will go forward to final A, while the remaining boats from the repechages will go forward to final B, which will determine places seven to 12.

Competition draw

The draw for the para rowing competition will be conducted by World Rowing Federation (WR) officials at Sea Forest Waterway on Thursday 26 August 2021 at 3pm JST.

The WR executive committee will appoint a seeding panel, which will place up to two crews in each heat to ensure that the faster crews do not all start in one heat. The seeding will only affect the placing of crews into the heats and will not be taken into account for any of the later rounds of the competition.

Competition rules

The para-rowing competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The World Rowing Rules of Racing and Related Bye-laws and the World Rowing Para-rowing Regulations 2019-2020 (available at www.worldrowing.com/fisa/publications/rule-book)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

WR, working with the Tokyo 2020 competition management, will be responsible for the technical control and direction of the rowing competition at the Tokyo 2020 Paralympic Games.

CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

Para-rowing is now fully integrated by doubling the race distance from 1,000m to 2,000m for all World Rowing events as well as the Paralympic Games. All para-rowing events now match all Olympic rowing events with this decision.

In a move to fit with the IPC protocol, the para-rowing boat classes have been renamed from previous AS, TA and LTA to PR1, PR2 and PR3 respectively.

DIFFERENCES FROM THE OLYMPIC GAMES

Mixed crews participate in the Paralympic Games, not in the Olympic Games.

Item: 3

Decision of the World Rowing Executive Committee

Summary:

Decision of the World Rowing Executive Committee

Details:

1. The Executive Committee has observed movement in the back rest of the seat of the ISR PR1 W1x in Race 2, Heat 2 which could be considered to be the result of an equipment innovation, and possible does not comply with the 'fixed seat' requirement of Appendix R14, Regulation 7 paragraph d 'Standard Para Rowing PR1 1x and PR2 1x boat', i. "The World Rowing Standard Para Rowing PR1 1x boat has a fixed seat..."
2. Rule 29 - Innovations - requires all possible innovations in equipment to be subjected to a process which evaluates against five criteria. This movable back rest was not submitted to World Rowing in accordance with this rule.
3. An Executive Committee hearing was held with the ISR delegation this afternoon to listen to the ISR explanations for the movement of the seat and whether it was an innovation or compliant with para rowing rules.
4. Decision:
 - The ISR PR1 W1x has been relegated to last place in Race 2, Heat 2 of the PR1 W1x and will advance to tomorrow's repechage race as a sanction on the ISR PR1 W1x for not having checked this development in equipment in advance. The back rest of the seat of the ISR PR W1x must be fixed by tomorrow, and throughout the remainder of the competition.
 - The UKR PR1 W1x is now placed first in Heat 2 and advances directly to the final on Sunday.

New start lists including the new formations of the repechages of the PR1 W1x will be issued shortly.

Issued by: World Rowing Executive Committee

Adverse Weather Conditions - Re-allocation of Lanes

Item: 4

Summary:

Adverse Weather Conditions - Re-allocation of Lanes

Details:

Due to forecast adverse weather conditions, the Fairness Committee has re-allocated the lanes for the A-Finals (Races 21 to 24) using the placings from the previous round.

A revised start list will be published.

Issued by: World Rowing Fairness Committee
Time: 10:00
Date: 29 AUG 2021

Sport Review

スポーツレビュー

As of FRI 27 AUG 2021

TOKYO - Great Britain ([GBR](#)) set the standard on the first day of rowing at the Tokyo 2020 Paralympic Games with emphatic heat wins in two of the four events.

The British PR2 mixed double sculls (PR2Mx2x) crew of [Lauren ROWLES](#) and [Laurence WHITELEY](#), pictured, dominated their heat to take the sole automatic qualifying spot for the final.

The Rio 2016 champions recently switched positions in the boat to take advantage of ROWLES' rhythm and WHITELEY's power.

"When you want to continue being champions you've got to keep moving forwards and, year on year crews, continue to be better and we want to be the best," ROWLES told the Olympic Information Service.

"So we've tried to make up the one per cents and find quicker speed, and we've found that this combination's a little bit faster than our last one."

Soon afterwards their teammates in the PR3 mixed coxed four (PR3Mx4+) posted a time 10 seconds quicker than the first heat winners, the [USA](#), to also make it directly to the final.

"It's ours to win," said [James FOX \(GBR\)](#).

As Tokyo 2020 marks the first time rowers have raced 2000m at a Paralympic Games, Paralympic best times were set in all four events.

"It's nice to be the last ones to set the 1k Paralympic (best time) and to be the first ever ones to have the 2k," said ROWLES.

Poland overcome hiccup to qualify in mixed double sculls

TOKYO - [Moran SAMUEL \(ISR\)](#) made it safely through to the final of the PR1 women's single sculls on Saturday – for the second time.

The Rio 2016 bronze medallist had won her heat on Friday, before being relegated to the repechage. World Rowing decided that movement observed in the backrest of her seat could be considered the result of equipment innovation that had not been approved by the federation.

PR1 athletes are required to row with fixed seats and can only use their arms and shoulders to row.

"Of course, I was disappointed and I never had any intention to go over any rule. Everything was done in a very innocent way," SAMUEL said after setting a Paralympic best time to win her repechage.

"As an athlete I think the greatest ability we have is to put aside what's irrelevant of our performance and the race.

"So as soon as the decision had been taken, I fixed whatever needed to be fixed, I went down to do another training, felt my boat and got ready for today's race, which I think was very convincing. I'm just excited about the final tomorrow."

The first repechage of the PR2 mixed double sculls proved dramatic, after [Michal GADOWSKI \(POL\)](#) got his blade stuck in the water as the Poles held a qualifying position just before the halfway mark.

The boat stopped for a moment, but GADOWSKI and partner [Jolanta MAJKA \(POL\)](#) fought back into the race, out-sprinting Australian pair [Simon ALBURY](#) and [Kathryn ROSS \(AUS\)](#) to qualify for the final.

"I took a wave and my blade got caught under the water," GADOWSKI said.

"We believed that we had the power to beat Australia and we decided to fight to the end."

TOKYO - Great Britain's [Laurence WHITELEY](#) came off the water at the Sea Forest Waterway on Sunday with a gold medal around his neck to a rousing rendition of 'happy birthday' from his teammates and volunteers.

On his 30th birthday, WHITELEY and his partner [Lauren ROWLES](#) produced a calm performance in the PR2 mixed double sculls final to chase down the fast-starting [LIU Shuang](#) and [JIANG Jijian](#) of [China](#).

"It's not about who leads the first 1500m, who leads to the 1900m, it's about who came through first and that was always going to be us," ROWLES said.

ROWLES said the medal was the result of overcoming anxiety and depression after winning gold at Rio 2016.

"No matter what, we've stuck by each other and said, 'If you need time to go away and do what you need to do', we've stuck by each other throughout it and backed each other," she said.

The British pair's PR3 mixed coxed four teammates also defended their title. It was the third successive Paralympic gold medal in this boat class for Great Britain, which has won every major title in the coxed four since 2010.

"This boat's always won, so we know we have the ability to win. It actually makes it easier, the legacy. We don't feel like we've got to work to be there, we're already there," [Oliver STANHOPE \(GBR\)](#) said.

WHITELEY's was not the only birthday being celebrated. [Erik HORRIE \(AUS\)](#) dedicated his silver medal behind [Roman POLIANSKYI \(UKR\)](#) in the PR1 men's single sculls to his son Luigi, who turned nine on Sunday.

"I hope this medal will show him what the sacrifice is all for, and hopefully shows the kids never to give up, believe in yourself," HORRIE said.

In the PR1 women's single sculls [Birgit Lovise Roekkum SKARSTEIN \(NOR\)](#) said her gold medal was for her coach Johan FLODIN, who is retiring.

"I just so very, very much wanted him to get a gold medal," SKARSTEIN said.
