## Competition Format and Rules

競技形式および規則

As of THU 19 AUG 2021

### PARALYMPIC COMPETITION FORMAT

The goalball competition at the Tokyo 2020 Paralympic Games consists of men's and women's tournaments, each with 10 teams.

The events begin with a group stage that is played in a round robin format, in which each team faces every other team in their group. After the group stage, each tournament is played in a direct elimination format.

Two groups of five teams start each tournament, with the ranking at the end of the group phase determined by the number of points each team earns from their four matches.

The top four teams in each group are qualified for the quarterfinals, the bottom team in each group is eliminated and ranked ninth or tenth according to the goalball rules. The winners of the quarterfinals progress to the semifinals, with the losers ranked fifth to eighth. The winners of the semifinals then contest the gold medal match, while the losing teams compete for the bronze medal.

#### Game description

Each goalball game is played between two teams with three players each. Games are 24 minutes long and are split into two 12-minute halves, with a three-minute break between them. Teams have three substitutes available and can make up to four substitutions during a match (a player can be substituted more than once).

Each team is allowed four time-outs of 45 seconds during the game. At least one of these time-outs, such as for substitutions, must be taken during the first half or this time-out will be lost.

The game is played on a court measuring 18m x 9m that is divided into two halves, with teams remaining in their own halves during the game. The purpose is to get the ball across the opponent's goal line by throwing it along the floor, while the other team attempts to prevent this. The goals and nets extend the full length of nine-metre width at each end of the court. The ball, which contains bells, is made of hard rubber and has holes in it so the bells can be heard as it moves.

### SPORT RULES AND PROCEDURES

#### Overtime

In the preliminary round a game can end in a tie. Beginning with the quarterfinal round, each game must have a winner.

If the score is tied at the end of play the teams will play two additional three-minute halves, where the first team to score is the winner.

If the score is still tied at the end of overtime, extra throws will decide the winner. Each team coach will be provided with a line-up sheet for extra throws. The number of extra throws per team will be determined by the minimum number of players listed on either line-up sheet. Players will throw and defend in the order on the line-up sheet.

If the score is still tied at the end of the extra throws, sudden-death extra throws will decide the winner. The players who took part in extra throws will also take part in sudden-death extra throws. A winner will be declared when one team is ahead at the conclusion of any pair of throws.

## Scoring

A goal is scored any time the ball completely crosses a goal line during the game.

If player's eyeshades are moved or come off when hit by a thrown ball, play will continue until the ball is controlled, blocked out or scored.

The team with the most goals at the end of the match will be the winner. A game is ended if one team leads by a margin of 10 goals.

## Competition rules

The goalball competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The International Blind Sports Federation (IBSA) Goalball Rulebook 2018-2021 (available at [https://www.ibsasport.org/sports/files/1180-Rules-2018-2021-IBSA-Goalball-Rules-and-Regulations-\(Effective:--6-May-2020\).pdf](https://www.ibsasport.org/sports/files/1180-Rules-2018-2021-IBSA-Goalball-Rules-and-Regulations-(Effective:--6-May-2020).pdf))
- The IPC Handbook (available at [www.paralympic.org/the-ipc/handbook](http://www.paralympic.org/the-ipc/handbook))

The IBSA goalball, working with the Tokyo 2020 competition management, will be responsible for the technical control and direction of the goalball competition at the Tokyo 2020 Paralympic Games.

## CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

No changes to the Paralympic format but there have been rule changes as indicated in 2018-2021 IBSA Goalball Rules and Regulations.

## DIFFERENCES FROM OLYMPIC GAMES

There is no Olympic Games equivalent for goalball.
