Re: Your letter

Dear Pavel,

Thank you for your letter and kind words, and I trust my reply finds you well.

It is a privilege to be entrusted with leading our efforts forward for another four years and one I look forward to the challenges we all face in the coming months and years.

We in the Paralympic movement should never forget that all we do, is in the service of the 1.2 billion persons with disabilities around the world, all of the passionate Para athletes and Paralympians and for our members in the wider Paralympic Family.

Wishing you and your family the best of health.

Kind regards

Andrew Parsons
