Acting President of Russian Paralympic Committee

March 28, 2022

Dear Mr. Pavel Rozhkov,

Your letter dated March 13 was well received, and I would like to extend my sincere thanks for your congratulations on the good results of the Chinese Delegation at the Beijing 2022 Paralympic Winter Games. My thanks also goes to your high recognition of the organizing work of the Games.

The excellent performance of the Chinese athletes has proved once again that participating in sports activities is an important way for the rehabilitation and fitness, equal participation in society and self-worth realization of persons with disabilities. We will continue our efforts in advancing the sports development of people with disabilities, creating more favorable conditions for them to integrate into society and achieve their own value.

Chinese Paralympic Committee pays great attention to its cooperation with the Russian Paralympic Committee. This year and the next year mark the Years of Sports Exchanges between China and Russia. Let's use this opportunity to further deepen the exchanges and cooperation between the two countries in the field of sports for people with disabilities. We welcome Russian Paralympic athletes to China after the pandemic.
